MAKING A WORLD OF DIFFERENCE

Just as our young church here in the United States received support in the 19th century from the Catholic of Europe through the Society for the Propagation of the Faith, so too the growing churches in the Developing World today also require financial help. Your generosity will help make a faith-filled difference around the world!

- + *A gift of \$25 would be a month's support for a young women preparing to serve as a Religious Sister in Mali.*
- + *A gift of \$60 is a month's education for a seminarian in Nigeria.*
- + *About \$50 a month helps a local Religious Community of Sisters in Thailand care for girls in need.*
- + *Just \$20 helps toward the purchase of a bicycle for catechist Kenya.*

THE SOCIAL CONCERNS COMMITTEE URGES YOU TO VOTE

In their publication concerning "Faithful Citizenship" the united States Bishops answer the question, "Who in the Church Should Participate on Political Life" by reminding us that ...

In the Catholic Tradition, responsible citizenship is a virtue, and participation in political life is a moral obligation. As Catholic, we should be guided more by our moral convictions that by our attachment to a political party or interest group. In today's environment, Catholics may feel politically disenfranchised, sensing that no party and few candidates fully share our comprehensive commitment to human life and dignity. Catholic lay women and men need to act on the Church's moral principles and become more involved: running for office. Even those who cannot vote should raise their voices on matters that affect their lives and the common good.

**READINGS FOR NEXT SUNDAY: October 26, 2008
Thirtieth Sunday in Ordinary Time****Exodus 22:20-26**

God hears the cry of the oppressed.

Psalms 18

"I love you, Lord, my strength."

1 Thessalonians 1:5c-10

God's people are renowned for their conversion and love of God.

Matthew 22:24-40

The greatest law is the law of love.

The Gospel message for today is clear: We should love the Lord with all our being, and our neighbor as ourselves. If we heeded this call, there would no longer be the kind of oppression described in the first reading. Let us pray that today's reading will sink deeply into our hearts. Let us also pray that we will respond to the commandment to love one another and reach out to those in need.

Dios escucha el llanto de los oprimidos.

Salmo: 18

Te amo, oh Señor, mi fuerza.

Segunda lectura: 1 Tesalonicenses 1:5c-10

El pueblo de Dios es conocido por su conversión y amor de Dios.

Evangelio: Mateo 22:34

La ley principal es la ley del amor.

LUCHA POR EL PODER

Las luchas por el poder ocurren en todos los ámbitos de la sociedad, desde el escenario mundial hasta en las relaciones en el trabajo, y hasta en nuestros hogares. Luchamos por un puesto en la jerarquía de poder.

¿Quién tiene poder sobre quién? ¿Cómo lo usamos? ¿Cuál es la fuente de ese poder? ¿Cuál es la respuesta sana ante el mismo?

En la lectura del Evangelio de hoy los fariseos mezclan a Jesús en la lucha por el poder sobre si los judíos deben rendir tributo a César pagando los impuestos. La respuesta de Jesús da a esta lucha y a toda lucha por el poder otra perspectiva. En consonancia con las palabras de Isaías y de Pablo, Jesús nos enseña que Dios es la fuente final de todo poder —el poder de los que gobiernan en la tierra, los fariseos, Jesús, la Iglesia y el poder dentro de nosotros.
