Dear Parent,

Please have you children read two books this summer. Choose two books from the reading list. They can be any books from the list. Your child does not need to do a book report. He or she may read more books from the list if they choose to. Please list any additional books that are read during the summer on a separate piece of paper.

In addition, please have you child learn the days of the week and months of the year. They should also know their address and telephone number. Also please have your child learn The Nicene Creed.

Enclosed is a table of measures. It would be helpful if you worked with your child by showing them examples.

Sincerely,

Mrs. Sandra Nesbitt
Fourth Grade Teacher
